

TREATMENT	PRIVATE FEE
Initial Consultation & Assessment with Dr Lenton	£45 (deducted from treatment plan estimate)
Before & Aftercare Advice with Care coordinator	-
1 area	£200
2 areas	£300
3 areas	£400

Areas of treatment are: frown lines between eyebrows; forehead lines; crows feet around eyes

An eyebrow lift counts as 2 areas by treatment of the frown & forehead lines

Complete smoothing of lines around eyes and lifting eyebrows counts as 3 areas

The above fee structure is for example only. Individual assessment at the consultation stage allows for a personalized treatment plan and estimate of fees

Wrinkle reduction is achieved via the use of injectable non-permanent softening agents such as Azzalure® (botulinum toxin A) which act to reduce muscle activity and skin tension
